● Please give a brief synopsis of what will be covered in this unit: (Include items you wish **NOT to include such as a biography project…but you aren't allowing pop star bios, or, items you'd like EXTRA** resources purchased on such as a biography project where you want as many sports bios as possible) This will help us craft a list of resources and choose books for classroom use to deliver.

- **When is this project being assigned to the students?**
- **When is the project due to be turned in to the teacher?**
- **How many sources, and what type, will be required of students? (Magazine articles, Internet, book, encyclopedia articles etc.) Any page length requirement for books?**
- **Would you like a list of resources that we own for this project faxed to you? If so, allow 1 week for us to gather our information and include fax number here.**
- **Would you like some items sent to the school for this project for in-classroom use? What name/card number should they be checked out on?**
