

7th Grade Summer Reading 2018

Choose a book from the Isinglass Teen Read list to read

Your Summer Reading assignment has 2 parts.

You will do Part 1 during the summer. You will complete Part 2 during the first week of school.

Summer Reading Assignment Part 1

As you are reading your book, find a sentence or two that you think would make a great quote to share with others. You will neatly write out the quote, and the book title and author onto the paper provided. Also, you are to create a collage, surrounding the quote, of pictures that relate to the book and be ready to explain why you selected them and what they have to do with the story. Lastly, you are to complete the provided graphic organizer to help you with your Book Talk Bistro we will be having once school starts back up.

Please note: a quote is simply a brief word-for-word excerpt; I **do not** mean it has to be dialogue (something in quotation marks that a character says).

Part 2 is on the back→

Summer Reading Assignment Part 2

Once school starts, we will be taking the graphic organizers and creating a book talk, which is essentially a summary but without giving away the ending. So be prepared to talk about your Summer Reading book when you return to school.

If you have any questions, please e-mail me: kwidness@sau74.org

Have a great summer and happy reading! ☺
