Project update:
Lindsey reported on discussions with Conner Maclver, Town Manager, about a proposed Capitol Reserve Warrant Article for the March election for a new library, taking into consideration the current budget realities due to COVID-19. Conner will help with wording to define its purpose and with the legalities involved. Lindsey will present the proposed article to the Select Board on Sept. 14th with any needed changes made for the November budget presentations. Final discussions will be held Dec 7th, and the budget finalized by Dec. 14th in preparation for the January 4th public presentation.

In April, discussion will be resumed with Jason, from SMP Architecture, about a design for a proposed new library, taking community input, guidelines from state of NH, and staff needs into consideration.
**Director's Report:**
Reopening Plan: Melissa discussed the Phase 4 reopening of the library to the public on August 19, with the safety of staff and users of primary concern, and following NH state guidelines, making future changes as needed. A detailed report of the Plan is available on the library website. The library will be open to 6 patrons at a time, masks will be required, with hand sanitation available. Bathrooms will be locked, with one for staff and the other for the public, which will be sanitized after each use. Computers can be used for 45 minutes by appointment.
Phase 5 will allow more people in the building.
During Phase 6, the library will be open as normal.
Lindsey made a motion to approve the reopening plan with changes to proceed with Phases 4,5 and 6 which includes a possibility of revisiting phases if needed. Susan seconded the motion, and it was passed by a roll call vote.

**Budget:** Trustees will meet with Melissa to discuss budget and proposed changes on Aug. 31.

**Fines:** Currently, fines are not being collected on overdue books. Discussion will be continued on the impact of this loss of revenue on the miscellaneous fund.
